STEP 2: SELECTION OF ANNUAL PASS(ES) PAID MONTHLY

HOW DO MONTHLY PAYMENTS WORK?

- Monthly payment is a payment method that allows you to spread the cost of your Annual Pass over 11 equal monthly payments without paying any application fees or additional costs.
- For a first purchase, an initial payment of €55 is requested for each Annual Pass subscribed to on the day of your order. As part of the Annual Pass renewal offer* no initial payment is required. As such, it is the total amount of your Annual Pass divided into 11 monthly payments. Payment is made each month (for 11 months) starting from the month following subscription.
- The 11 monthly payments will be deducted from the bank account which will be communicated in STEP 4.

EXAMPLE:

For the purchase of a Discovery Annual Pass at €149, you will be charged 11 monthly payments of €14**.

COMMITMENTS ON MONTHLY PAYMENT

- 1. Monthly payment is a method of paying amounts due for Annual Passes; this is not a monthly price for the said Annual Pass. Monthly payment is available by correspondence or on the France section of the Internet site www.disneylandparis.com for payments in Euro from a bank account located in the single euro payments area (SEPA) to the Annual Pass Office and opened with a bank accepting direct debits in Euro known as 'SEPA Direct Debit Core' ('SDD Core'). Payments for monthly instalments must be made in Euro. Any costs that might result from application of an exchange rate and/or banking fees will be payable by the debtor.
- 2. The debtor agrees to pay the above-mentioned amounts in observance of the agreed due dates.
- 3. The first direct debit takes place during the month following the issue date of the Annual Passes. This direct debit, as well as the following direct debits, take place on the tenth of the month or on the following business day. If a file is incomplete or if any other anomaly is encountered preventing a direct debit on this date, a second attempt is made on the twenty-fifth of the month.
- 4. Any monthly payment file that is incomplete on the day the Annual Pass(es) is (are) taken out must be completed as quickly as possible, and no later than on the date communicated by Euro Disney. In the interim, the Annual Pass(es) issued will not allow access to the Disney Park, as no method of payment has been provided. No refunds/compensation are granted for days already elapsed or for payments already made if the required documents are sent in late.
- 5. Any file remaining incomplete or any default of payment not settled within the time granted will immediately result in suspension and then cancellation ipso jure of the Annual Pass(es) in the file without any need for formalities.
- 6. The debtor agrees to inform the Annual Pass member(s) concerned in case of suspension or cancellation of their Annual Pass due to default of payment.
- 7. Loss or theft of an Annual Pass or cancellation of a subscription for the Annual Pass programme due to a violation of the General Conditions of Subscription by an Annual Pass member does not entail stopping direct debits of the sums due.
- The debtor agrees to inform Euro Disney as quickly as possible of any change in his or her banking and/or postal coordinates at the following address: Disneyland Paris, Service Financier Pass Annuel, TSA 31637, 75901 Paris Cedex 15, France.
- 9. Euro Disney reserves the right to bill and debit from the indicated banking account any costs for rejection by the bank which costs, except for technical incidents not attributable to the debtor, are payable by the debtor.

By signing, the debtor recognises the outstanding amounts for each of the subscribed Annual Passes as explained in STEP 2 of this document and agrees that they have understood their monthly payment commitments.
